Publication Process

For those of you who have chosen Option 2 (Presentation and ISBN Publication) or Option 3 (Presentation and Scopus-Indexed Proceedings Publication), please note the following:

1. Papers are first accepted for presentation at the conference.
2. Authors who wish to publish their papers will be asked to review two other papers. A reviewing template will be provided.
3. Based on the reviews received, authors are required to revise their papers accordingly.
4. For Scopus-indexed proceedings, only a limited number of submitted papers will be accepted.
5. For the ISBN proceedings, all submitted papers will be accepted, provided that authors revise their papers as required. Papers not selected for the Scopus-indexed proceedings will be considered for inclusion in the ISBN proceedings upon mutual agreement between the authors and the editorial team.
6. Publication Fees:
 - The conference will cover all costs for publication in the ISBN proceedings.
 - The publication fee for the Scopus-indexed proceedings will be based on the actual charge by the publisher, which will be divided equally among the accepted papers. No additional charges, such as reviewing or administrative fees, will be applied.

We greatly appreciate your interest and contribution to ICMR 2025, and we look forward to welcoming you to the Vietnamese-German University in Ho Chi Minh City, Viet Nam.
